ORCHID: <https://orcid.org/my-orcid?orcid=0000-0002-7008-142X>

Academic Rank and Positions:

2021 to present	Associate Research Professor, University of Maryland School of Public Health Maryland Institute of Applied Environmental Health, College Park, Maryland
2018-Present	Editor, Workplace Health & Safety Journal (Editor-in-Chief - 2021 to present) - Associate Editor for Research (2018-2021)
2107 to 2021	Chief Nurse, Occupational Health Service, Occupational Health, Safety and Environmental Management (OSHEM), Smithsonian Institution, Washington, DC - Acting Associate Director for Occupational Health Service (2020) - COVID-19 Leadership Team - Research Associate
2013 - 2017 2012 - 2013	Chief Consultant, SES-EQV Occupational Health Service, Patient Care Services Deputy Chief Consultant, (GS-15) Occupational Health, Office of Public Health
2004 - 2012	Faculty, Assistant Professor, University of Maryland School of Nursing - Director, Community Health Nursing Program 2010-2012 - Co-Director, Work and Health Research Center of Excellence (2004-2012)
2000 - 2004	Project Manager, Workplace Violence Research (PI Lipscomb)
1991 - 2000	Coordinator, Occupational Health Project and Occupational Medicine Clinic University of Maryland School of Medicine - Carotene and Retinol Efficacy Trial (CARET) Site Manager (NCI, PI Keogh) - Coordinator, Biomarkers of Lead Poisoning Study (NIEHS, PI Keogh) - Coordinator Depleted Uranium Study, Baltimore VAMC (PI Keogh/NIH)
1987 – 1991	Director of Field Services, Chesapeake Occupational Health Services, Baltimore, Maryland
1984 - 1986	Coordinator, Intramural Research, Pulmonary Branch, NIH, Bethesda, Maryland
1979 – 1984	Clinical Staff Nurse - Clinical Center, Cardiovascular Surgery Step Down, NIH, Bethesda, Maryland - General Medical Intensive Care Unit, Norfolk General Hospital - Emergency Room, Buchanan General Hospital, Grundy, Virginia

Kathleen Marie McPhaul, PhD, MPH, RN

Awards

Special Commendation from Secretary COVID-19 Leadership Team, Smithsonian Institution (2020)

Awards (Continued)

University of Maryland, Baltimore Student Research Poster Day
Second Place “Workplace Violence in the Home Visiting Workplace: Development of Measures” (2004)

Quality and Safety in Nursing Education (QSEN)
University of Maryland School of Nursing selected representative (2011)

Fellow “Leadership in Academic Nursing Program”
American Association of Colleges of Nursing. (2011)

Best Paper “Workplace Violence in Health Care Conference”
Amsterdam, Netherlands, 2010. London, M., Lipscomb, J.,
and McPhaul, K. (2010)

**Service to Profession:
Journal Reviewer**

Work: A Journal of Prevention, Assessment and Rehabilitation
American Journal of Public Health
Hispanic Health Care International
International Journal of Occupational and Environmental Health
American Journal of Infection Control
American Journal of Industrial Medicine

Professional Organization Memberships (current):

American Public Health Association, Past Chair Occupational Health Section
American Nurses Association, Maryland Chapter, Past President District 3
American Association of Occupational Health Nurses
Association of Occupational and Environmental Health Clinics, President Elect

**Advisory
Boards**

CDC/NIOSH National Occupational Research Agenda (NORA) Health Care Sector Council
University of Massachusetts, Center for Prevention and Health in the
New England Workplace (CPH-NEW) (current)
External Advisory Board for the Center for Work, Health and Wellbeing at the
Harvard Chan School of Public Health. (past)
Georgetown University School of Nursing and Health Studies Occupational
Health Advisory Board (past)
Occupational Health Internship Program (OHIP) Association of Occupational
Environmental Clinics (AOEC) (Current)

- Selected Media**
- 2010 - "Harming the Healers" with Jane Lipscomb and Matt London Op Ed published in the Baltimore Sun September 22, 2010.
 - 2010 - Interviewed for Medpage Today "Nurses Often Silent About Workplace Violence" <http://www.medpagetoday.com/HospitalBasedMedicine/WorkForce/18335>.
 - 2010 - Human Resource Executive On-line "Violence in Nursing"
 - 2010 - Jamaican Radio "Breakfast Club" Program – Interviewed with Dr. Lipscomb on workplace violence issue in healthcare in Jamaica and internationally.

Testimony:

- 2010 – Invited testimony of behalf of the American Public Health Association at "OSHA Listens" on the APHA's priorities for worker health in the US.
- 2017 – Invited testimony on behalf of the Veterans Health Administration OSHA Workplace Violence Prevention Standard

Robert Wood Johnson Invited Proposal

Enhancing Leadership and Team Building Skills of Nurse Managers to Increase Patient Safety

To improve patient safety and the nursing work environment by developing the safety monitoring, communication, conflict management, leadership, and team building skills of

Kathleen Marie McPhaul, PhD, MPH, RN

frontline nurse managers. Nurse Managers' adoption and implementation of these skills on their respective units is the translation objective of this project. Additionally, near the end of the project, these nurse managers will, in turn, be equipped to train other nurse managers in these skills.
Role: Co-I

1-R01-OH009072-01 Lipscomb (PI) 9/01/06 – 8/31/11
National Institute for Occupational Safety and Health (CDC/NIOSH)

Evaluation of Organizational Justice Intervention to Alleviate TYPE III Violence
The major goals of this project will be conducted in two phases. Phase one will include a screening survey of a large cross-section of State Government workers and managers to assess prevalence of type iii WV workplaces. We will then develop, implement and rigorously evaluate the impact of a violence prevention program on type iii WV.
Role: Co-I

Research Contracts:

Welch, L. (PI)
Center to Protect Workers Rights Research Foundation 7/1/2010-7/1/2011
Evaluation of Health Insurance Health Promotion Interventions in Employer Sponsored Health Plans of Unionized Workers
To consult on design and evaluation of health promotion strategies for improving diabetes and cardiovascular health outcomes in unionized working populations.

Unfunded Research Projects (Exploratory Projects):

“Exploratory examination of employer strategies to reduce occupational injury in older healthcare workers” (2011) McPhaul (PI) Collaborators University of Washington, University of Denver, NIOSH “A longitudinal investigation of occupational health of nurses in early career”
Work and Health Research Center DRIF funded exploratory project (2011).
